

## Provider Notice

Magellan of Virginia updated the Service Request Authorizations (SRA) for both Initial and Continued Stay Requests for Residential Treatment.

The updates align with the changes made to residential treatment that will begin January 1, 2017. There will now be only one Initial SRA form and one Continued Stay form used for both Psychiatric Residential Treatment Facilities and Therapeutic Group Homes.

The SRA forms are available at [www.magellanofvirginia.com](http://www.magellanofvirginia.com) under “For Providers” and “Forms”.

If your agency uses an approved form from your Electronic Medical Record system, please update and submit to Magellan for review and approval before December 27, 2016. The new forms will be required beginning January 1, 2017.
