

Provider Notice

Magellan of Virginia posted a provider training as well as training documents regarding special pre-referral processes for the Independent Assessment, Certification and Coordination Team (IACCT).

The training covers the following topics:

- Considerations for members involved with Family Assessment and Planning Team (FAPT) who are being referred to IACCT.
- Considerations for members currently in an Inpatient Psychiatric Hospital being referred to IACCT.
- Considerations for Emergency Foster Care Placements being referred to IACCT.
- Considerations for members who receive retro Medicaid eligibility while in a residential placement.

It is recommended that Inpatient providers, Residential providers and IACCT providers review this training and documents.
